

## **Draft of Template**

*How do we manage to remember surprising situations and changing patterns of community building we are experiencing during the crisis? Will we be able to use these special ,community patterns' for our ,brave new world' which hopefully does not go back to normal after the crisis?*

# **Community Response to the Coronavirus Outbreak and Beyond...**

**Please use this form** to submit your community response, your experiences, your moments of surprise *(For these purposes, please limit your response to 200 words or less, though you can refer to longer descriptions in the contact information you provide at the end)*

**What were the** *surprising situations and changing patterns of community building we have observed or experienced during the coronavirus crisis? Do you have a title or catch-words?*

### **What happened?**

*Who was involved, what did they do, and where?*

### **What were the outcomes?**

*For individuals? Communities? Systems? (as best you know them)*

### **What lessons were learned?**

*...that others could benefit from*

### **What and why should we remember?**

*How could we be able to use these special ,community patterns' for our ,brave new world' which hopefully does not go back to normal after the crisis.*

### **What do we observe about inequities in this process?**

*(ie web access etc.)*

**To learn more:** *(name, e-mail, and a web link if possible)*

Please send your submission to/place your submission on *(to be inserted)*.

Thank you!
